WR201-0001-U Universal Regulator spring adjustment tool

Specially manufactured for B-42, B31, B34, B38, B35, B36, B56 series Actaris pressure regulators. \*Handle is removable for use on both sides of tool\*

FS206-20-1 Regulator Flange Spacer  
7/16" Thick, 2" IPS

Specially manufactured for adapting a 10" (Actaris) face to face flanged valve body into a space for a larger, 10.5" face to face flanged valve body

RV-706-25DR Aluminum Vent  
1/4", 1/2", 3/8" NPT  
\*other sizes available upon request

Specially manufactured from machined aircraft grade aluminum with a stainless steel screen and special drip edge to eliminate freeze offs and replace plastic vents that easily deteriorates from sun and weathering. Common applications include: Pilot controlled regulators: Groves, Flex Flow, Mooney Flow Grid, and Fisher 399. \*Straight vent with drip edge available for applications where angle is not necessary\*
